

Equity policy statement

EK is committed to ensuring that equity is incorporated across all aspects of its development. In doing so it acknowledges and adopts the following Sport England definition of sports equity:

“Sports equity is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. It is about changing the culture and structure of sport to ensure it becomes equally accessible to everyone in society”.

EK respects the rights, dignity and worth of every person and will treat all Karate practitioners equally, regardless of age, ability, gender, race, ethnicity, religious belief, sexuality or social/economic status.

EK is committed to everyone having the right to enjoy their training in an environment free from threat of intimidation, harassment and abuse.

All EK Associations have a responsibility to oppose discriminatory behaviour and promote equality of opportunity.

EK will deal with any incidence of discriminatory behaviour seriously, according to its disciplinary procedures – see EK Constitution Section 7
